

CERTIFIED DIVERSE SUPPLIERS FOR MARKETING AND ADVERTISING

July 2020

In May 2020, the ANA published the report [“The Power of Supplier Diversity.”](#) Finding diverse suppliers is a top challenge in today’s marketplace. The report stated that as a followup, the ANA would curate and publish a list of diverse suppliers that work in marketing/advertising and ask for contributions to the list.

Below is our initial list of certified diverse suppliers. Undoubtedly, there are others to add, and we’ll provide an update by September 2020. In the meantime, if you have suggestions for diverse suppliers, or other comments, please email us at diversesuppliers@ana.net.
